## **Hellenic Table Tennis Association**

Dear sirs,

We are a leading TT club in Israel, mainly in youth ages (9-17).

We wish to have contacts with clubs for visits, meaning training camps and / or tournaments.

We can come with a group and host in Israel at our big and nice Table Tennis complex, located at a nice country-side near the Sea of Galilee

Can you be kind and send me a list of your association clubs? (youth ages)

Can you mention our request at your website or your magazine?

Enclosed please find a file with some photos and a link to ours promotion film (YouTube).

I wait to your answer with interest.

Best Regards,

Yaakov Blagovsky
